

Interagency Enforcement Meeting  
29 April 2008  
Surrey Employment Standards Branch

Attendees

Steve Haywood, CVSE  
Doug MacDonald, Worksafe  
Larry Ness, RCMP  
Rod Bianchini, ESB

1. Review Roadside Checks

Checks to date have included enforcement and education and generally proceeded well. The committee clarified that CSVE would issue # 3 orders which would not trigger any demerit points for contractors. The committee confirmed the FLC vehicle will not be subject to the extensive inspections unless something is obvious.

This will be communicated to the FLC.

Generally the quality of the FLC vehicles was higher and than usual.

CVSE confirmed transport for workers will be arranged for May 28 inspection in Abbotsford.

2. Upcoming events

The committee reviewed the upcoming scheduled educational/inspection dates and confirmed as follows:

Educational inspections

May 12 and 13 Abbotsford  
May 14 and 16 Nordel, (Delta)
